May Recap and June Sneak Peak

Time flies when you are having fun... May was a blur! Residents (Ralph in picture) made cards for National Thank a Hero Day. The cards will be sent to the local Military Order of the Purple Heart Association. Phylis Howard came in and relaxed them with some harp and dulcimer music. We celebrated National Nursing Home Week with a kick off luau party, followed by some mega bingo, then on to a sip and dip, and ended with a patio pizza party. Staff (Carla) enjoyed a picnic where staff received shirts, mugs and food trucks all week to celebrate. In June we will be planting some flowers, welcome our new Pastor Jeff, make the halls smell irresistible with some yummy baking, and welcome back Rick Bruning for a night show.

Juneteenth

Juneteenth is a holiday commemorating the end of slavery in the United States. It is also called Emancipation Day or Juneteenth Independence Day. The name “Juneteenth” references the date of the holiday, combining the words “June” and “nineteenth.”

Juneteenth was originally celebrated in Texas, on June 19, 1866. It marked the first anniversary of the day that African Americans there first learned of the Emancipation Proclamation, more than two years after it was initially issued. The holiday was originally celebrated with prayer meetings and by singing spirituals and wearing new clothes to represent newfound freedom. Within a few years, African Americans were celebrating Juneteenth in other states, making it an annual tradition.

Juneteenth is a federal holiday in the United States. Legislation establishing the holiday was passed by Congress on June 16, 2021, and signed into law by U.S. President Joe Biden the following day. Juneteenth had previously been established as a state holiday in Texas in 1980, with a number of other states later declaring it a state holiday or day of observance.

Juneteenth celebrations in the United States typically include prayer and religious services, speeches, educational events, family gatherings and picnics, and festivals with food, music, and dancing. The day is also celebrated outside the United States and is used to recognize the end of slavery as well as to celebrate African American culture and achievements.

What Makes a Dad?

God took the strength of a mountain,
The majesty of a tree,
The warmth of a summer sun,
The calm of a quiet sea,

The generous soul of nature,
The comforting arm of night,
The wisdom of the ages,
The power of the eagle’s flight,

The joy of a morning in spring,
The faith of a mustard seed,
The patience of eternity,
The depth of a family need,

Then God combined these qualities,
When there was nothing more to add,
He knew His masterpiece was complete,
And so, He called it ... Dad

FATHERS
Day!

Slather on sunblock and dress for success

The fatty layer below our skin gets thinner with age, making seniors more sensitive to the dehydrating effects of sun exposure. To help stay safe from sun damage, follow these tips:

Purchase a sunscreen with at least 30 SPF and broad-spectrum protection from both UVA and UVB rays.

Gently remind your loved one to cover every exposed area with sunblock – including often-forgotten spots like their ears, upper lip, the backs of their hands and the tops of their feet.

Have them wear loose, light-colored clothing, which will help them feel cooler and more comfortable, as well as provide additional protection from the sun.

Suggest they put on sunglasses and a hat with a brim to help shield the delicate skin around their eyes.
