## **RESIDENT SPOTLIGHT JOANNE CHESNUTT**

"I have resided at Laurelbrooke Personal Care for the past 5 years. I originally came to Laurelbrooke with a diagnosis of Dementia and felt as if I would benefit best by residing in a personal care home setting at that time. I have devoted a great amount of time volunteering in the home and look for any opportunities to serve by helping others as I can. I also am certified as a PEER resident through the local Agency on Aging Ombudsman Program. God has given me the gift to help others, whatever I can do, I will do. The pandemic this year has not made things easy. We have been in guarantine since March and haven't been able to live a normal life since. I am praying for a vaccine to be effective for myself, my peers and the rest of the staff here at Laurelbrooke. The most important thing for us to do at this time is to pray and be kind to all. I will forever be grateful for Laurelbrooke Personal Care." ~Joanne Chesnutt.

Joanne emphasized the power of love, kindness and how the public can make a difference this holiday season. She would like to encourage families to continue sending letters to loved ones who reside at Laurelbrooke Personal Care.

## Snapshot in History:

On January 1, 1863, legal status under federal law of more than 3.5 million enslaved African Americans was changed from enslaved to FREE thanks to the Emancipation Proclamation that was issued by President Abraham Lincoln in September 1862. The Proclamation wrote:

That on the first day of January in the year of our Lord, one thousand eight hundred and sixty-three, all persons held as slaves within any State, or designated part of a State, the people where of shall then be in rebellion against the United States shall be then, thenceforward, and forever free; and the executive government of the united States, including them military and naval authority thereof, will recognize and maintain the freedom of such persons, and will do no act or acts to repress such persons, or any of them, in any efforts they may make for their actual freedom.

First reading of the Emancipation Proclamatic

Personal Care

like a chapter in a book, waiting to be written. ~ Melody Beattie

The new year stands before us,
