 IR - In Room

\*Calendar subject to change\*

Residents at McKinley aren't letting current circumstances keep them from rejoicing and celebrating life! Bingo is enjoyed in the hallway, socially distanced from one another, and resident's also get their hair styled by our talented Rita! Local students from Ms. Hill's class continue to shower our residents with handmade holiday cards that always bring a smile to their faces. Thank you to all of the family and community members that are cheering us on each day. We appreciate each and every one of you!
