

North Fork Heights Monthly Activity Calendar - October 2020

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
<p>As recommendation from the CDC(Center for Disease Control) & PA Department of Health, for those that reside in “communal living” who have been a patient in any hospital, it is recommended that tenant should self-quarantine for 14 days from any contact with other tenants or any areas of the building where tenants gather to include lounges, community centers, patio’s, etc. Because this virus has such a long incubation period up to 14 days, many do not know that they have been exposed. Any questions or concerns, please contact Becky Park. Thank you in advance for your cooperation to this matter.</p>				1		3

Notes Reminder all events we need to social distance & wear your masks.						

Upcoming Events

At North Fork Heights, all tenants and visitors are required to wear a face covering. Please self-screen when entering and leaving the building (complete the questionnaire and take your temperature).

REMINDERS: Even though the front door at North Fork Heights is open, we still need to be mindful of the extra traffic coming into the building. We continue to encourage you to limit your visitors and refrain from having overnight guests. This is not only for your safety, but for the safety of the other 57 tenants who live here. Please meet your visitors outside if possible when dropping off or picking up items for you. We have many outside areas that you can visit with family & friends rather than bringing visitors into the building. We are still encouraging only essential caregivers & deliveries to be entering the building.

North Fork Heights is following the CDC guidelines and PA Governor Wolf recommendation that everyone wear a face covering & practice 6' social distancing when you are out of your apartment. This includes tenants & caregivers. Frequent handwashing is strongly encouraged. Hand sanitizing station is available by the front entrance. Please use it when entering & exiting the building.

Please continue to use the sign-in log when returning to the building. Many of you are not completing ALL the questions when you return. It is important that ALL questions are completed!! If you need help with questions, please ask management to assist you. You only need to sign in if you have been off the property. Example: shopping, banking, medical appointments, etc.

- Due to COVID, apartment inspections are delayed. Inspections will still happen....just not sure when. It is much easier to keep up with your apartment daily, rather than waiting until inspections to clean. HUD is discouraging management from entering an apartment during this time only for emergency needs. This is for your safety & the safety of management as well. I want to remind you that it is your responsibility to keep your apartment in a clean, sanitary, safe, clutter free environment as outlined in the lease that you all signed upon admission. Failure to do so it cause for a lease violation.

- Please continue to report any maintenance issues to management. Maintenance & other staff willask a tenant if it is safe to enter an apartment before entering. This means if you are not feeling well & experiencing any symptoms of flu or COVID-19, maintenance and other staff will not enter your apartment.

October 21, 2020, Count Your Buttons Jar. A jar full of buttons will be on display in the front lobby.

Please guess the number of buttons in the jar. Prize awarded on November 4, 2020 to the person who comes closest to the count.

October 27, 2020, Tuesday at 2pm. EUM Church Lades Treat to-go

- October is Fire Prevention Month. We will be having an unannounced fire drill. It is very important for all to hear & recognize the sound of the fire alarm, especially our newer tenants. When the alarm goes off, tenants are expected to exit the building using the emergency exits because you never know if it is a drill or real. Please read over the emergency plan you were all given at move in as it refers to the buddy system that we use. If anyone needs a new copy, please stop by the office to obtain a copy.

- Flu Shots will be available again this year through Home Solutions. They will be available sometime in October/November, please watch the Bulletin Board for more details.
