RESIDENT SPOTLIGHT

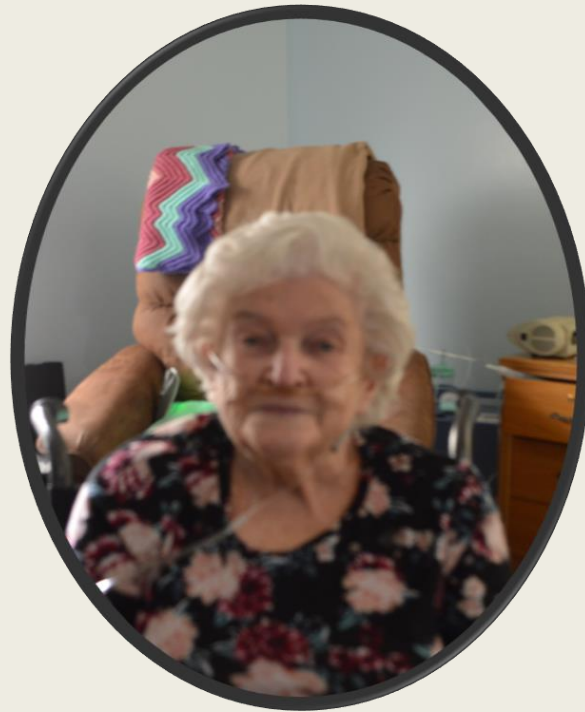

DACY MORRISON

Dacy was born May 1925, the middle child. She remembers the BIG Depression. Her dad died in 1929. Her mother was left with 5 small children and no means of supporting them. They moved in with her Mother's parents. They watched the farmers plant and also helped some in the garden. He provided what they needed, no extras.

Dacy married Melvin Anders on Oct. 7, 1942. He went overseas during WWII with the Air Force in Dec. 1942. Dacy worked at Hunter Field Air Force base rigging parachutes. They raised 2 children in Marienville, PA. Dacy worked at Kane Stackpole and then Warren Sylvania. She worked at Warren General Hospital for one year then Warren State Mental Hospital as a nurse. She also worked as a Hospice volunteer. After she retired, she worked part time for Hospice until her and her husband became ill. Her husband didn't survive cancer, but she did.

After surviving colon cancer, she had both hips replaced. While recouping from those surgeries, she married Alger Morrison on Oct. 3, 2008. When Alger was diagnosed with cancer he fought hard but didn't survive.

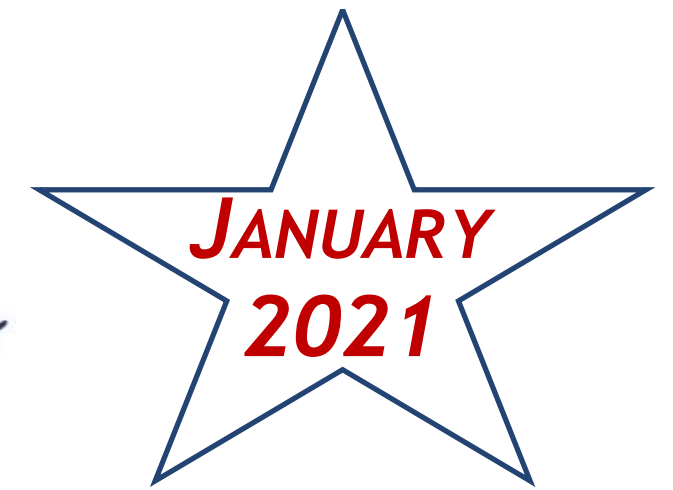

Dacy misses holding hands with her husbands and going to church with her family. She also misses her church family and the Red Hat girlfriends. Currently Dacy resides at Ridgmont. WRC Hospice and the Ridgmont staff take care of her until she goes to Heaven to be with her husbands and family.
