June 14 is Flag Day!

The first celebration of the U.S. Flag's birthday was held in 1877 on the 100th anniversary of the Flag Resolution of 1777. However, it is believed that the first annual recognition of the flag's birthday dates back to 1885 when school teacher, BJ Cigrand, first organized a group of Wisconsin school children to observe June 14 - the 108th anniversary of the official adoption of The Stars and Stripes as the Flag's Birthday. Cigrand, now known as the 'Father of Flag Day,' continued to publically advocate the observance of June 14 as the flag's 'birthday', or 'Flag Day' for years.

In 1916, the anniversary of the Flag Resolution of 1777 became a nationally observed event by a proclamation by President Woodrow Wilson. However, it was not designated as National Flag Day until August 3rd, 1949, when an Act of Congress designated June 14th of each year as National Flag Day.

Today, Flag Day is celebrated with parades, essay contests, ceremonies, and picnics sponsored by veterans' groups, schools, and groups like the National Flag Day foundation whose goal is to preserve the traditions, history, pride, and respect that are due the nation's symbol, Old Glory.
