If you meet the requirements and are interested in receiving the checks, please complete the application. Hold onto your completed application, the Elk County Area Agency on Aging will be coming to the Village at Ridgmont Community Center to collect your completed application and distribute the vouchers to you. This year, individuals will be receiving five (5) checks valued at \$10 each. This is up from the previous years where individuals received four (4) checks valued at \$6 each. Once I get the day and time that the Aging Office will be at the Village, I will post it on the bulletin board. Any questions, please see Becky in the office. Thank you.

Reminders -

Apartment Vacancy - Please let your responsible party/family know that if you become sick and need care in the hospital, are staying with your children, or need a rehab stay in a local nursing home, let Becky know that you are not in your apartment. It is helpful in the event of an emergency to know if your apartment is vacant. Mark will also check your apartment when you are gone, but we need to know that you are gone. We also need to know when you might return. Any questions or concerns, please see Becky in the office

Speeding - Please talk to your family, friends, caregivers, etc. to slow down when traveling throughout the Village. We have four different speed limit signs along with a pedestrian crossing sign to remind people to slow down. As the weather is getting nice, tenants will be out more. We want everyone to be safe.

Tobacco Use - Reminder that we are a tobacco free campus. This includes all tenants, friends, family, caregivers, and service providers working on the campus. Let them know that they can not smoke on the property.

May Activities

A Ladies Day brunch was held. Ladies enjoyed breakfast casserole, fresh fruit, danishes, and flowers.

Judi Wohnsiedler, from Servpro, recently visited the Villages at Laurelbrooke Landing, Village at Ridgmont & North Fork Heights. Judi provided education on “Understanding your Risks in a Damage Situation whether in your home or the community you live in”. Judi also had a drawing for a free First Aid Kit for the tenants that attended the education.

Happy FATHERS Day!
