VILLAGES AT LAURELBROOKE
UPCOMING EVENTS
MARCH 2021

Upcoming Events

Events on the calendar are listed **but subject to change** due to COVID. Events could be cancelled on a week to week basis. Use your own discretion when going outside your apartment. Always wear your mask & remember 6' social distancing. Masks or shields are required when in the Community Center. Your nose & mouth are to be covered to be effective. This practice protects not only you but other tenants at the Village. Any questions or concerns, please contact Becky Park, 849-0814. Thank you

St. Patrick's Day

Decorate your front windows with green shamrocks or green/white lights to spread a little St. Patrick's Day cheer for all to enjoy during the month of March.

Stop by Village II Community Center on Wednesday, March 17th at 2pm for a St. Patrick's Day treat. Chocolate Chip Mint ice cream cups & Shamrock Sugar Cookie to go. **Don't forget to wear your green!!** Sign up required for this event - 849-0814.

Crochet or Knitting

Looking for anyone interested in crocheting or knitting mittens, hats, scarfs, slippers or dish cloths. This would be an activity that you could do during the long winter months in your apartment. This would be a great way to give you something to do & help others in needs. These donations could be donated to the local food bank to be distributed to those in need. Any interest or questions, please call Becky at 849-0814.

St. Patrick's Day Trivia

How much do you know about leprechauns and St. Patrick's Day traditions? Attached is some fun trivia to test your knowledge. Complete the trivia and turn it in to Becky or Dianne on Tuesday, March 16th. Those with the most correct answers will be entered in the drawing to win a free candy bar on Wednesday, March 17th at 2pm.

First Day of spring

To help bring in the first day of spring, pull out your favorite bonnet & wear it to the Community Center for coffee & donuts on Saturday, March 20th at 10:30am.

Pizza, Pizza, Pizza

Personal pan pizzas will be available from Plylers Family Restaurant on Tuesday, March 30th. Preorder & payment is due before the 30th. Call 849-0814 to place your order. Personal Pan Pizza with one topping cost \$4.50 & .50 for each additional topping, plus 6% tax.

Taxes/Rent Rebate Preparation

Jefferson County Area Agency on Aging will not be sending volunteers into the community to complete the 2020 rent rebate application. You can call 849-3096 to schedule an appointment at the Heritage House & meet with someone at the Heritage House to complete for you. **OR**, you can gather all your information & give it to Becky/Dianne & we will drop it off at AAA office to be completed. Once completed, Becky/Dianne will pick up & delivery back to you. Please get all your papers to us prior to February 26th if you want us to deliver to AAA. Any questions, please call the office at 849-0814.

Mail

It has been brought to my attention on several occasions that tenants are getting other tenants mail on a regular basis. If you are getting other tenants mail, please call the Brookville Post Office, 849-8359, the day it happens. Please do not wait for days or weeks to report. Please do your part to help correct this ongoing problem. Thank you.

Villages at Laurelbrooke

WHY NATIONAL WOMEN'S HISTORY MONTH IS IMPORTANT

**** We haven't given women their due attention**

For many years, women weren't acknowledged in historical texts. This isn't because women weren't in the midst of important discoveries or helping out with important conquests. It's mainly because men wrote the majority of historical documents for thousands of years. In March, we dig deep to uncover many of the important roles women have played throughout history.

**** Women are inspirational**

Learning about women who have stood up for their rights and fought for what they believe is fantastic motivation. We all have the power to influence the direction our world is headed in, and National Women's History Month reminds us of that.

**** It recognizes the strength and power of women**

It's easy to get caught up in the grind of daily life, but this month is an excellent opportunity to put a spotlight on all of the major things women accomplish each and every day. From domestic chores and carrying babies to fighting wars and governing countries, women are pretty darn amazing.
