

Village at Ridgmont Monthly Activity Calendar - October 2020

Sunday **Monday** **Tuesday** **Wednesday** **Thursday** **Friday** **Saturday**

As recommendation from the CDC(Center for Disease Control) & PA Department of Health, for those that reside in "communal living" who have been a patient in any hospital, it is recommended that tenant should self-quarantine for 14 days from any contact with other tenants or any areas of the building where tenants gather to include lounges, community centers, patio's, etc. Because this virus has such a long incubation period up to 14 days, many do not know that they have been exposed. Any questions or concerns, please contact Becky Park. Thank you in advance for your cooperation to this matter.
