<b>29</b>	<b>30</b>	<p>The following is the recommendation from the CDC(Center for Disease Control) &amp; PA Department of Health:                      For those that reside in "communal living" who have been a patient in any hospital, it is recommended that the tenant should self-quarantine for 14 days and avoid any contact with other tenants or any areas of the building where tenants gather. This includes lounges, community centers, patio's, etc. Because this virus has such a long incubation period (up to 14 days), many do not know that they have been exposed. Please contact Becky Park with any questions or concerns. Thank you for your cooperation to this matter.</p>

Soon, Peppermint Patty, Marcie, and Franklin arrive and follow Charlie Brown out to the big table in the backyard. It's time for dinner! Snoopy is about to serve the guests when Peppermint Patty cuts in. "Shouldn't we say grace first?" she asks. Linus stands up. "In the year 1621, the Pilgrims had their first Thanksgiving feast," he begins. "Elder William Brewster, who was a minister, said a prayer that went something like this: "We thank God for the opportunity to create a new world for freedom and justice!" "Amen!" Peppermint Patty says.

We are lighting up WRC Communities for the Holidays and we need your help! We know the Residents love to look at the twinkling lights...plus, more lights make a brighter path for Santa!

If you have any lights that you could spare, new or used, we would love to use them to decorate our Communities.

You can call (814)849-1205 for a drop-off location.
